

Bouquet Canyon Business Assistance Grant Program **FAQ**

Who is eligible to apply?

Eligible applicants must:

- Be a for-profit business or eligible non-religious nonprofit located within the designated Bouquet Canyon commercial corridor;
- Have operated continuously at the location for at least 12 months before the road closure began;
- Demonstrate a measurable decline in revenue during the closure; and
- Be solvent and in good standing with applicable governmental authorities.

How much funding can my business receive?

- Eligible businesses may receive one grant of up to **\$35,000**. The grant amount is based on the business's verified revenue decline and documented eligible operating expenses for a six-month period.

How is my revenue decline calculated?

- The City will compare each completed quarter during the road closure with the same quarter from the previous year. The quarter with the greatest verified percentage decline will be used to determine the business's grant assistance level. Applicants do not need to calculate their own grant amount.

What expenses can grant funds be used for?

- Grant funds may be used for eligible operating expenses, including:
 - Rent | Utilities | Insurance | Payroll & associated employer payroll costsFederal and State taxes are not eligible expenses.
